

Computer Competency

Policy Information

Issuing Office

Registrar's Office

Affected Parties

Students

Policy Language

Students are expected to have adequate experience in computer applications such as word processing, spreadsheets, database, Internet research, media presentations, and email communication. Undergraduate students lacking such experience should register for INFT 110, Computer Concepts and Applications, in their first semester.

Policy Rationale

To ensure that students understand the expectations set forth by the University regarding computer literacy.
